Participants: (Palma) Lt. Col. Vujadin POPOVIĆ - RAŠIĆ (OC /Operations Centre/)

Lt. Colonel POPOVIĆ asked for General KRSTIĆ at Zlatar and as he was not there, he asked to be connected with the OC.

P: Hello, Lt. Col. POPOVIĆ speaking.

R: RAŠIĆ here, can I help you?

P: Rale!

R: Yes?

P: I was just up there.

R: Yes.

P: I was with the boss personally.

R: Yes.

P: Here where I am... you know where I am?

R: I know.

P: Well, you got his interim report.

R: All of it.

P: It's all just like he wrote it ... I was there on the spot and saw for myself he had received some numbers ... well, that's not even important ... I'll come there

tomorrow so tell the General... I've finished the job.

R: You finished?

P: I finished everything.

R: Good.

P: I'll come there tomorrow when I'm sure that that's all been taken care of, you know.

R: Good.

P: After I bring a transport from there.

R: Right.

P: Well, in general, there weren't any major problems. But up there, there were horrible problems and that thing the commander sent, it was just the right thing.

R: Good.

P: Just the thing ... horrible... it was horrible.

R: Listen Vujadin.

P: What?

R: Tell me, did anything arrive there now from Vidoje BLAGOJEVIĆ?

P: From Vidoje?

R: Today.

P: Yes... You mean manpower?

R: Yes, yes ... did anything arrive? Something was supposed to arrive.

P: Yes, it arrived. ...it's up there. ...it's up there but it didn't arrive on time and it wasn't brought in on time. And the others who arrived, did arrive, but they were late and so they weren't brought in on time, and that's why the commander who was here had problems.

R: When exactly did BLAGOJEVIĆ's men arrive?

P: Fuck it, I don't know exactly, now I can't...

R: I know, the duty officer.

P: Maybe the duty officer... here's the duty officer.

R: Let me talk to him.

P: OK.

D: Hello!

R: Hello!

D: Yes, go ahead?

R: When did Colonel BLAGOJEVIĆ's men arrive?

D: From Badem?

R: Yes. ... when did they arrive and how many of them arrived?

D: I'll call you right back.

R: OK, find out exactly and call me back.

D: I will.
